

**Conservation Commission Meeting, Via Zoom
October 22, 2020**

Minutes taken by Ruth Gutman

Present at the meeting were members:

John Bozak, Ruth Gutman, Don Leuchs, Dan Blanchette

Guests: Gerry Lanoie, Nancy Rogers, Joseph Howes, Ryan Mackenzie, Kevin McKeon

The meeting of the Conservation Commission was called to order by John via Zoom at 6:32 PM.

Minutes from the September 17 meeting were approved.

Eagle Scout Project at the Community Forest

Ryan has been working on the project every Thursday. The trail is cut and posts and activities are ready. The posts will go up Sunday. The project is schedule to be completed by December. Ryan would like to know if we have considered a geocache. The loop trail is under a ¼ mile in length.

Don wonders if we could start the trail in a different location and avoid the gravel pit all – together.

Nesbitt Management Plan

We need to involve the planning board and abutters in the management plan process and host a public meeting. This could occur in December.

Recycling

Ruth was in contact with a select board member to ask about the status of recycling and will report back.

The meeting came to a close at 7:29 PM.

The next meeting will be December 17.

Respectfully submitted,
Ruth Gutman
