- Laura also asked about doing a Thanksgiving basket drive again this year. A box will be provided at the Town Office.

- Question regarding the Town Office phone system and how it can be changed to be more user friendly.
- SAD 60 School Vote – asked about contacting the School Board to change the hearing date to be 30 days prior to the school vote in order to make absentee balloting easier.

**Ben Thompson**

- Mentioned a possible problem with the number of people working at the Transfer Station in regard to the Affordable Care Act. He said if there are too many people working there, the town could be fined. The Selectmen will ask the Treasurer to look into this.
- Questions were raised about why a wire transfer wasn't done in regard to the purchase of a forestry truck for the Fire Dept. The Selectmen will check into this further, however, they did say that the vehicle purchased was a much better unit for the combined Fire/Rescue Department.

- Chairperson Torno made a motion to adjourn; seconded by Selectman Nadeau, all in favor.
