The meeting of the Conservation Commission was called to order by John at the Martha Sawyer Library at 6:30 p.m.

The minutes of the Aug. 16th meeting were approved.

Kevin Collins has decided to become a non-voting Associate member. We will be looking into attracting another active committee member.

A Maine National Guard representative will be looking at the Hebo Hybo Road as a potential project and the Selectmen are aware.

Several members will be researching the history of the Hebo Hybo area.

A kiosk for the project was discussed.

The next meeting is Oct. 18, 2018.

Respectfully submitted, Sandy Hutchinson

Addendum: We reviewed and discussed the 1st draft of the Community Forest Management Plan that Don had designed.
