Guests: Ryan Mackenzie, Eagle Scout candidate

The meeting of the Conservation Commission was called to order by John at the Martha Sawyer Community Library at 6:30 p.m.

Minutes approved from prior meetings

Minutes from 11-21 meeting were approved unanimously.

Follow up with Eagle Scout Candidate, Ryan Mackenzie

Ryan has paperwork signed and his next step is to start raising money for his loop trail project at the community forest

Nesbitt Pond & Elijah Tetreault, Eagle Scout candidate

John met with Elijah to tour Nesbitt Pond for a possible Eagle Scout project. There are possibilities for building stairs and a boardwalk to the water, in addition to a small kiosk, which would permit fishing and view of the pond, which is somewhat difficult to access. We would need to seek approval from the planning board.

Winter speaker

Ruth has discussed the date change with Cheri B. but does not have an answer yet.

The meeting came to a close at 6:59 PM. The next meeting is January 16, 2020.

Respectfully submitted, Ruth Gutman
