

Conservation Commission Meeting
April 19, 2018

John Bozak, Chairman
Ed Cheever

George Main
Sandy Hutchinson

The meeting of the Conservation Commission was called to order by John Bozak at the Martha Sawyer Library at 6:30 p.m.

John said that the Selectmen had taken our concerns about Mighty Joe Campground's proposed expansion to their meeting.

In preparation for Town voting on Tuesday, June 12th, which will include our proposal for town acceptance of the Hebo Hybo property as a Community Forest (warrant article #5), we will be available at the Wednesday, May 16th public hearing to answer any questions and handouts will be provided. On Saturday, May 19th, the Lebanon Festival will be held at the Jeff Bull Athletic Field and we will have a booth with Hebo Hybo information on hand. An explanation of the project will also be included in the Lebanon Spring Newsletter and on our Facebook site.

Respectfully submitted,
Sandy Hutchinson
