Site Visit Minutes
Friday, October 6, 2023**

Members Present

A. LePage, Chairman 
L. Bragg
A. Bridges 
M. Kennedy 

Others Present

Chris Byers
Steve Blake

ME West Lebanon Road Solar, LLC: 252 West Lebanon Road, Map R05 Lot 104:

The Board met onsite at 5:00 pm. The land owner was not in attendance; however, their representatives Chris Byers and Steve Blake were. The proposed project will be located behind the owner's residence and will not be seen from West Lebanon Road.

The question of whether or not letters should be resubmitted for possible endangered animal and or plant species was discussed. It is not likely that there would be any changes, however, Chris Byers will review the Beginning with Habitat map for Lebanon.
