The Toys for LEBANON Kids program needs toys and gift cards to help our 2017 program be a success!

We provide holiday gifts for Lebanon children aged infant to 16 years of age.

Providing gifts for children aged 11 – 16 proves to be a continued challenge.

Please help us with a donation of cash or gift cards, to help us provide for all the different age children of Lebanon!

Please bring a new unwrapped gift or a gift certificate to the dinner, or you can drop it off at Station 2, 1524 Carl Broggi Highway.
