Jason,

As discussed, you requested "a copy" below AND you confirmed that you wanted a copy when you were at the front desk at approximately 4:45 p.m. this evening. I will submit your claim that you did not request the prior items as "Lebanon Community News" to the Board of Selectmen for their Monday night meeting.

I had not requested copiea but to view the documents so I should not have previous charges and by refusing to let me view the new documen's by saying I have a balance is a violation of the Maine Right to Know law, I will file that Monday in Alfred then see how to proceed.

Dear Sir,

Your request listed below was approved by the Board of Selectmen last evening. However, we must require payment of two previously requested items that were never picked up, before proceeding. The total amount outstanding is \$1.00. I have attached a copy of those requests for your convenience. You may pay and pick these up anytime during our normal business hours. Thank you.

I would like a copy of the dispatch notes for a call on Old Milton Mills Road that happened this morning, as far as I heard Lebanon didn't show up for.

I think it was dispatched around 3am.

Please let me know when I can get the copy
