Good Afternoon,

I submitted your claim, as expressed to me at the Town Hall on Friday, October 16, 2015 and listed below, to the Board of Selectmen. At their Monday, October 19, 2015 meeting a motion was made and unanimously voted to uphold their original request as listed below on October 16, 2015 @ 15:44.

That is correct, on these requests I specified I wanted copies.

As you stated, you will bring me to court to prove it was me who made the requests 6 months ago. I am happy to go to court and prove it was not me. You advised I could not receive any more records until the balance was paid, for requests I didn't make and will be happy to prove in court as stated.

Jason,

As discussed, you requested "a copy" below AND you confirmed that you wanted a copy when you were at the front desk at approximately 4:45 p.m. this evening. I will submit your claim that you did not request the prior items as "Lebanon Community News" to the Board of Selectmen for their Monday night meeting.

Dear Sir,

Your request listed below was approved by the Board of Selectmen last evening. However, we must require payment of two previously requested items that were never picked up, before proceeding. The total amount outstanding is \$1.00. I have attached a copy of those requests for your convenience. You may pay and pick these up anytime during our normal business hours. Thank you.
