Mr. Cole,

I would like to bring your attention to an email dated October 29, 2015 at 6:25 PM from [lebanonfd@yahoo.com](mailto:lebanonfd@yahoo.com) , to which you have previously claimed as your account, where it states:

"I will do them a little at a time so it's less than an hour. I will resubmit for you"

After reviewing my files I have not received any resubmission's. If you feel that you have in fact, resubmitted as you stated in the October 29'th e-mail, please forward those to me as soon as possible.

Thanks.

**Subject:** Right to Know Request 01

Under the Maine Freedom of Access Law, Title 1, Chapter 13, I am re-requesting the following:

Request: Copy (Will pay reasonable costs as allocated by Maine State Law for the copy of the dispatch notes for said call)

A request I filed on October 16th for a call on October 13th on Trevor Lane. I had not received a denial of this request, I had requested it on the 14th but didnt have the exact date, so I wrote back the 16th. Its now been 35 days and I have not seen that this is ready and had residents complain to me, so I am trying to look into it before I do a story.

I am all set with the other requests placed prior to November 19th and will cancel those at this time. I will review them and resubmit as necessary.

They are single page faxes. I will just request the first three for the time being since that should be an hour or less

Thanks
