Subject: Resignation

Good afternoon,

After considerable consideration, I am writing to you today to submit my resignation as Vice Chair of the Planning Board.
My professional employment as well as my personal business are requiring more time as they both grow.
It is my opinion that my seat and role on the planning board would be best filled by an individual who could provide more time and participation to the position and be more effective in the long run.
My resignation from the Planning Board is effective as of today.

Sincerely,

Lynne Park
