Hello miss RTK lady.  
Please consider this as a RTK request.

I would like to know the dollar amount contained in the Lebanon Fire and EMS Capital Improvement fund.  
Balance plus current year totals please.

Also after our conversation, I would like to know the changes that were made in not having to beg for Selectmen's approval on RTK requests, when they were made and what the current procedure is regarding the filing for, and filling of RTK requests in the Town of Lebanon.

Thank you my friend.  
God Bless.
