No person shall operate a Marijuana Business, nor shall any property owner permit the use of his or her premises to be operated as a Marijuana Business, without a valid license issued by the Town. A separate license must be obtained for each establishment located on the same premises.

Whenever a permit/license expires and is not renewed, or the Town declines to renew a permit/license, other permit/license applications may be reviewed. The cap of permits/licenses per each category shall be maintained.

Exempt Caregivers, Qualifying Patients, and individuals engaged in Home Cultivation of Marijuana, as defined by this Ordinance, are not required to register with the Town or obtain a license.

§8. Distribution of licenses; Priority licensing period

There shall be an initial “priority licensing period” available for Existing Resident Marijuana Businesses as defined by this Ordinance. If there are more Existing Resident Marijuana Business applicants than there are available licenses as outlined in Section 9 below, all Existing Resident Marijuana Businesses that meet the licensing criteria will receive licenses, and no additional licenses will be issued. Once the number of licensed businesses drops below the maximum number of licenses for a particular category, the licenses will become available according to the allotment in Section 9.

All Existing Resident Marijuana Businesses must submit their applications during the two-week priority licensing period, which will be announced following the enactment of this Ordinance. Failure to submit a completed application during this time will result in a loss of this priority.

Following the priority licensing period, any applicant requesting an application for a license shall select one lottery number between one (1) and sixty nine (69), inclusive. Once a number has been selected by an applicant, it will not be available to other applicants of the same license type.

Applications will be processed in order of receipt of the completed application, including all applicable documentation and certified funds (cashier’s check, bank check, or cash). If a lottery is required under Section 9, then applications subject to the lottery will not be processed until after the lottery is completed. Only applicants selected through the lottery process will be authorized to submit completed applications to the Town.

§9. Limitation on licenses; Lottery.

A. Number of licenses available.

The list below outlines the total number of licenses that will be available for each category of Marijuana Business in Lebanon. In the event that a greater number of valid license applications are submitted than can be issued within these limitations after the initial priority licensing period, a lottery shall be conducted to randomly determine which qualified applicants shall receive licenses.

 - c. In the event of a tie (two applicants are equidistant from the Powerball drawn)
 - i. If there are two or more licenses available, both applicants will receive an application.
 - ii. If there is only one license available, the lower number of the tied applicants will be the winner

Applicants will have ninety (90) days to complete their application, and submit it to the Town. If an applicant wished to extend this period by 90 days, they may do so by paying their license fee in full. This payment is non-refundable.

An applicant may request an additional extension by appealing to the Select Board. Additional extensions may not exceed a total of one (1) year from the date of the original application.

If an applicant fails to submit a completed application within ninety (90) days, or purchases an extension and fails to complete the application during the extra ninety (90) days, the application will be considered to be abandoned, and the license will be available to other applicants.

If the Town Appointed Officer determines that a submitted application is not complete, the Town Appointed Officer shall notify the applicant within ten (10) business days of the additional information required to process the application. If such additional information is not submitted within thirty (30) days of the Town Appointed Officer's request, the application may be denied.

Upon such determination by the Select Board, the Town Appointed Officer shall be authorized to issue the license. The Select Board shall have the authority to impose any conditions on a license that may be necessary to insure compliance with the requirements of this Ordinance or to address concerns about

The Town Appointed Officer may perform inspections on a monthly basis at the discretion of the Select Board, Code Enforcement Office, and/or Fire Department.

Marijuana Businesses are responsible for providing any isolation/protective gear needed to allow inspectors to access any of the businesses facilities. Failure to have such gear available is not a valid reason for refusing an inspection.

§23. Violations; Penalties.

In addition to revocation or suspension of a Marijuana Business license as provided in this Ordinance, any person, including but not limited to, a Marijuana Business owner, a property owner where such business is located, or any agent or contractor for same, who orders or conducts any activity in violation of this Ordinance, or fails to comply with any of its requirements, shall be penalized in accordance with 30-A M.R.S. §4452.

Commencement of any Marijuana Business without a Town license for same shall be a violation of this Ordinance. Any party committing such a violation shall immediately cease operations, whether of a construction, renovation, or business nature, upon notification by the Code Enforcement Officer (CEO). Upon such CEO notification, the Town can pursue fines and/or penalties under 30-A M.R.S. §4452.

Each act of violation and every day upon which any such violation shall occur shall constitute a separate offense. In addition to such penalty, the Town may enjoin or abate any violation of this Ordinance.
