RESOLUTION FOR APPLYING FOR FLOOD INSURANCE
TOWN OF LEBANON, MAINE

WHEREAS, certain areas of town are subject to periodic flooding (and/or mudslides) from (STREAMS, RIVERS, LAKES, OCEANS, etc.), causing serious damages to properties within those areas; and

WHEREAS, relief is available in the form of federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of the Town of Lebanon to require the recognition and evaluation of flood and/or mudslide hazards in all official actions relating to land use and land use in the flood plain and/or mudslide areas; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future losses pursuant to NRSA Title 30A, Sections 3001-3007, 4352 and 4401-4407;

NOW THEREFORE, BE IT RESOLVED that this Town of Lebanon Hereby:

1. Assures the Federal Insurance Administration that it will enact as necessary, and maintain in force for those areas having flood or mudslide hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 5910 of the National Flood Insurance Program Regulations;

2. Vests __________ with the responsibility and authority to:
   (a) Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood (and/or mudslide) hazards by available local maps of sufficient scale to identify the location of building sites.
   (b) Provide such information to the Administrator as request concerning present uses and occupancy of the flood plain (and/or mudslide) area.
   (c) Cooperate with Federal, State, and local agencies and private firms which undertake to study, survey, map and identify flood plain or mudslide areas, and cooperate with neighboring communities with respect to management of adjoining flood plain and mudslide areas in order to prevent aggravation of existing hazards.
   (d) Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the development and implementation of flood plain (and/or mudslide) area management measures.

3. Appoints __________ to maintain, for public inspection and to furnish upon a Request a record of elevations (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.

4. Agrees to take such other official action as may be reasonably necessary to carry out the objectives of the program.
