INCINERATOR ORDINANCE
TOWN OF LEBANON, MAINE

To see if the Town will vote to accept an Ordinance Prohibiting the use of outdoor incinerators, unless incinerator is type approved by Underwriters.

shall the Town of Lebanon vote to Approve Low Temperature outside incinerators for burning Wood products only that meet NFPA and/or State codes and would have to be inspected for use by the Fire Department—All outside fires, incinerators, and camp fire to require permits. Incinerators and camp fire can be permitted to be used for extended periods of time not to exceed one year being re-inspected by the Fire Department. Regular fire permits for open burning would be issued on a day to day basis.
